Staff Report: Intent to Award "5075M John Deere Tractor"

Overview:

The Crooked River Wetland project included funds for a midsized tractor to be used to maintain the dikes and wetland cells in the future. A 5075M John Deere tractor was selected as the best-equipped and sized piece of equipment for this work. This tractor has the following specifications:

- Manufactured in the USA
- Standard Cab
- Standard Loader
- Frontier RC2084 Rotary Cutter
- Frontier AP12G Pallet Forks

The City of Prineville will use funds from the Infrastructure Finance Authority (IFA) for the purchase of this piece of equipment. The City of Prineville was awarded \$1,500,000 from IFA, which included a \$750,000 grant and a \$750,000 loan at 1% interest for 25 years. One-half of the tractor will be paid for with grant funds and the other half will be paid for with loan funds.

The City of Prineville received three bids as shown below.

1. Pape Machinery, Madras, OR	\$63,000.00
2. RDO Equipment, Hermiston, OR	\$63,203.03
3. Clark County Lawn & Tractor, Vancouver, WA	\$69,653.90

Staff Recommendation:

After reviewing the bid documents, staff recommends Council approve an Intent to Award of the contract to purchase a 5075M John Deere tractor to Pape Machinery of Madras, OR for \$63,000.00.
