Council Members:

I am submitting this letter of interest to serve on the City of Prineville Budget Committee for the 2010 Budget approval process. A 28-year resident of Prineville, I believe that service on the Budget Committee is one way I can contribute to the community.

My experience with budget development and analysis includes non-profit and government/municipal experience, both as a board member and as staff preparing a departmental budget. I am also familiar with the City of Prineville budget and programs, having served from 1998 to 2006 as a city councilor and member of the budget committee.

I am proud of the accomplishments of Prineville during our times of growth and hope to see critical services and infrastructure retained during the current economic climate. From that perspective I believe that I would be a good candidate for service on the budget committee.

Thank you for your consideration.

Sincerely,

Brenda Comini
