

Wayne Vanmatre  
Prineville City Manager

March 26, 2009

Dear Wayne,

As we discussed this past week, I am representing Crook County Rotary and its efforts to find permanent housing for the Crook County Kids Club. Rotary is in the process of obtaining a 24'X60' double wide, which we wish to site on school district property, in the vicinity of Cecil Sly Elementary.

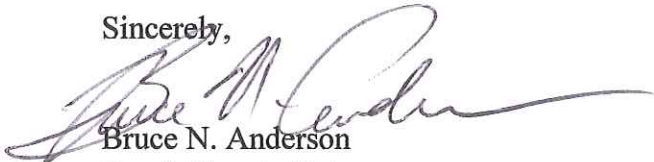

Rotary is attempting to site the building at little or no cost, because the Kids Club has only enough funding for operation. We have commitments for labor and materials to move and site the building with support from local contractors, the County, and individual Rotary members.

I am requesting that the City waive "site plan review fees", as well as any other support available in helping to get this facility up and running by next September. We hope to assist the Kids Club in this way as they support the continuing need for low cost after school care for the children of Prineville.

A Rotary member will be in attendance at the April 14<sup>th</sup> Council Meeting to answer questions from you or members of the council.

Thank you for your assistance in this important community issue.

Sincerely,

Bruce N. Anderson  
Crook County Rotary
