DEPARTMENT OF PLANNING & COMMUNITY DEVELOPMENT
PLANNING COMMISSION RECOMMENDATION

DATE: November 15th, 2016

PURPOSE: Recommendation to fill vacant Commissioners Seat

BACKGROUND:

Planning Commissioner Bob Spaulding submitted his resignation on October 4th 2016 after a decision to move closer to family. The City advertised the open seat in the City newsletter and in the Central Oregonian on October 25th. The City received several inquiries from people outside the UGB and an application from Priscilla Smith who had applied previously in September of last year. The City Charter does not allow people outside the UGB to serve on the City Planning Commission. Priscilla Smith who lives inside City limits was interviewed at the Planning Commission's regular meeting on November 15th, 2016. During deliberations Commissioners expressed their approval of the candidate as they had before.

The Planning Commission voted unanimously to recommend Priscilla Smith.

RECOMMENDATION:

The Planning Commission formally recommends that City Council appoint Priscilla Smith to the Planning Commission for the remainder of Bob Spaulding's term, which expires on December 31, 2019.
