### City Council

Date: September 8, 2017

The following item is an IO INC Hellcat 380 ACP firearm. Item was collected from owner as an evidence item. I have received a District Attorney release on the item as well as case officer approval to return item back to the rightful owner. I sent a certified letter to the owner, received confirmation back from post office on 05/29/2017 that it was delivered and also attempted phone contact with owner to make arrangements for her to pick it up. I have not heard back from owner since contact has been attempted several times. Per Prineville Police departments policy/procedure I have done all necessary attempts to make sure owner knew item was ready to be picked up. Since I have not received contact from owner item now belongs to the Police department. I am requesting that item be transferred to the police department for department use or future trade.

Case # 16001873 Item # 1

Thank you

Amanda Noland
